Milliken™

LOW COUNTRY

Introducing Low Country, our exploration into nature's workday. A place where rush hour means flowing, ever-changing tides. A place filled with a bustling spirit from not just nine to five, but through all hours of the day. A place where a certain, unexplainable synergy exists — one saturated with vitality, buoyancy, and charm.

Offering 5 fresh patterns, 16 intrinsic colors, and 4 soothing neutrals, with Low Country, you can now bring nature's workday in to your own environment. Equally stunning styled separately or creatively paired together, Low Country tiles were designed to emulate the same organic transition of the sea greeting the sand.

SEA TRANSFORMATION

Each of the 5 patterns of Low Country were designed to encourage seamless movement within floorscapes.

Designed with an abundance of gravitating intensities, Salt Marsh and Waterway depict the smooth, persuasive motions of the coast.

Mirror images of one another, Sea Rise and Sea Fall were both thoughtfully designed to encourage a transitional effect when paired alongside any of Low Country's pattern options.

Estuary, the most progressive pattern found in Low Country, showcases a fascinating mixture of texture, pigment, and scale. This pattern has unique variations within each color. Be sure to order more than one sample.

STYLE BACKED BY PERFORMANCE

Milliken Floor Covering offers products and expertise in all areas of your commercial spaces, including high-performance entryway systems, modular and broadloom carpet, luxury vinyl tile and milliCare®. Simplify your flooring projects by working with a trusted partner that lets you focus on enjoying the process of creating a great space.

Milliken

Complete Performance and Support

ENTRYWAY SYSTEMS

Great architecture and design aren't just about managing all that goes into an effective, attractive space. It's also about what's intentionally kept out. That's why the protective flooring experts at Milliken created OBEX™, a comprehensive entrance system with a range of proven forms and materials. OBEX equips architects, engineers and specifiers with all they need to create site-specific, high-performing entries, without compromising their project's overall design.

MODULAR CARPET AND BROADLOOM

Milliken's broadloom and carpet tile incorporate the latest innovations in tufting and dyeing technology, achieving unique looks and excellent performance. All carpet tile products have cushion backing for an extended lifespan, as well as ergonomic and environmental benefits.

LUXURY VINYL TILE

From natural looks of wood and stone to more modern textures and abstracts, Milliken's collection of Luxury Vinyl Tile flooring creates new options for a commercial or hospitality interior. Our simple-to-search Color Reference system provides easy coordination of the LVT options to modular and broadloom carpets.

MILLICARE®

milliCare takes caring for your flooring and textiles off your to-do list, which means you can skip right to the part where you get to lean back, put your hands behind your head, and be a hero for keeping a beautifully cleaned space.

WARRANTY

Our products are backed by lifetime commercial warranties that ensure quality and give peace of mind. Milliken stands behind its products in the areas of Face Fiber Wear, Staining/Soiling Resistance, Color Pattern Permanency, Delamination of Backing, Edge Ravel, Tuft Bind, Floor Compatibility, Antistatic, Flammability, Cushion Resiliency, Dimensional Stability, Floor Release, TractionBack and Moisture Resistance. » millikenfloors.com/warranty

SUSTAINABILITY

Core to our culture, we embrace sustainability with practices such as third party voluntary product labeling and certifications, zero waste to landfill since 1992, use of renewable energy, product life cycle assessments, ISO 9000 quality standards and all of our manufacturing sites are certified to the highest global environmental standard - ISO 14001 certified. » millikenfloors.com/sustainability

STAINSMART®

StainSmart, a proprietary treatment applied to Milliken carpets designed to repel and protect against stains and enhance soil release. » millikenfloors.com/stainSMART

MOISTURE MANAGEMENT

Milliken modular carpet is a moisture mitigation solution all by itself. Unlike with hardback products, water vapor has a way to escape from beneath Milliken's cushion backing. It travels freely through our open-cell cushion, evaporating naturally through seams at the edges of each carpet tile. All modular carpet tiles come with a lifetime warranty against adhesive breakdown due to moisture vapor emissions. » millikenfloors.com/moisture

WELLBAC™ CUSHION

WellBAC™ cushion provides superior underfoot comfort while improving the carpet's durability and offering ergonomic, acoustic and environmental benefits. » millikenfloors.com/cushion

SIT TO STAND

Avoid the hassle and expense of using anti-fatigue mats under sit-to-stand workstations. Milliken cushion backed carpet tiles have ergonomics built directly into the carpet tiles themselves. » millikenfloors.com/sit2stand

TRACTIONBACK®

Our bio-based, high-friction coating keeps carpet tiles securely in-place without additional adhesives, eliminating the need to prime or seal the floor, thereby reducing installation time and costs. » millikenfloors.com/tractionback

LOW COUNTRY

Salt Marsh / Sea Rise / Sea Fall / Waterway / Estuary

EFFORTLESS TRANSITIONS FROM THE SEA TO THE SAND

Experience nature's workday through the inspired tiles of Low Country. With patterns and colors both eloquently designed to capture the same enthralling notions of the sea and the sand, create rich, organic, and transitional floorscapes with complete ease.

SUSTAINABLE FEATURES OF THIS PRODUCT

Low Country is manufactured with WellBAC™ Comfort ES (Environmentally Sustainable) cushion backing, and is certified NSF-140 Gold with 40% pre-consumer recycled content by total product weight. With our optional WellBAC™ Comfort ESP (Environmentally Sustainable Plus) cushion backing, **Low Country** carries an NSF-140 Platinum certification. All Milliken modular carpets carry Environmental Product Declarations and Health Product Declarations, which contribute to LEED certification. Additionally, Milliken modular carpets carry Declare® transparency labels and comply with the Red List Imperative of the Living Building Challenge.™

Construction

Tufted, Textured Loop

Tile Size

25 cm x 1 m (9.85" x 39.4")

Yarn Type

Milliken-Certified WearOn® Nylon, Type 6,6

Stain Repel & Resist / Soil Release
StainSmart®

Tufted Face Weight

15 oz/yd² (508.6 g/m²)

Finished Pile Height

0.13" (3.30 mm)

Finished Pile Thickness

0.08" (2.03 mm)

Average Density

6,541

Standard Backing

PVC-Free WellBAC™
Comfort Cushion
Available with TractionBack®
